## PARISH NURSE

April is Stress Awareness Month and researchers are viewing stress—how much we face and how well we deal with it—as a critical factor in how well we age. Whatever the cause of your stress, if it's overwhelming you, you need to address it. Stress is a serious health risk!

Feel free to see or contact Karen Morfitt, ORLC Parish Nurse, for more information or resources about stress.

More! Can we do more? Should we do more?  
Would you be interested in doing more as a church or individual?

Our current staff and many volunteers are at or near "max capacity." We can likely maintain our current efforts, but see potential for more WITH the support of the congregation. Please talk to an Elder or Council member if there is more you would like to see ORLC do!
