Thank you!

Thank you to the members of Our Redeemer who sent me such beautiful cards for my 100th birthday celebration.

Thank you to the youth group, also, for the cards you sent. I will cherish them all and know I will look them over many times!

Keep your faith in the Lord Jesus Christ! He does take care of you!

God bless you all!

PARISH NURSE

Everyone, from infants to older adults, should stay up to date on their vaccinations to maintain good health.

Now that school is starting and the weather is changing, people will be staying indoors more. Getting vaccinated is the safest and most effective way to build your immunity and keep your family healthy and well.

Check with your primary care provider about which vaccines are recommended for you and your family for protection from common illnesses and harmful diseases.
