THIS WEEK

Bible Class: We are studying the book of Daniel. Join us today between services as we see how such an incredible book and events point us to Christ. We are currently discussing chapter 9. Next Sunday, October 18, District President Rev. Randy Sturzenbecher will host a precall meeting between services. Please join us for that!

Youth Catechesis continues Wednesday, October 14 at 6pm for 6th and 7th graders and a parent. Please meet in the lounge with your Bible and Catechism. Please speak with Pastor if you have questions.

LAST DAY TO ORDER BUNDTLETS!

The youth who will attend Camp Minneboji next summer are taking preorders for Nothing Bundt Cakes buntlets to help raise funds for their camp tuition. Buntlets are \$7 each. If you'd like to preorder a buntlet, please see one of the youth in the narthex today!

Adult Information Classes

Pastor Simek will begin classes on Tuesday, October 27 at 6 pm. To cover the material thoroughly and in a timely manner, we will aim to meet for two hours each time, roughly every two weeks, for about 8 classes. Exact class duration, dates, and number of sessions will depend on schedules, holidays, and the questions you have as we dive into God's Word together.

Sign up in the narthex if you are interested in adult information classes, **even if you are unable to make it on October 27.**

Philippians Conference

A Philippians Conference will be hosted by Our Redeemer on November 21 from 8:30am-2pm. This one-day conference facilitated by the Rev. Dr. Nathan Meador is for pastors and people to look at the theology and practice of stewardship and to ground congregational stewardship on the solid foundation of Scripture and the Confessions. It will investigate a congregations local stewardship culture and aims to give congregations a fresh perspective on stewardship with action items to put into practice.

While there is no cost to participate, we do ask everyone to sign up so we can make arrangements for accommodations and food for the day at this QR code or on the counter in the narthex.

Blanket-Making Party!

Join the youth group on Saturday, October 24 from 10AM-1PM to make tie blankets for Project Warm-up!

We are collecting donations of tie blanket kits until then. Place donations in the bin in the narthex.

Want us to do the shopping? Monetary donations can be put in the offering plate earmarked, "Project Warm-up."

National Arthritis Awareness Week:

7-13 October

Arthritis isn't a single disease. The term refers to joint pain or joint disease. Common arthritis symptoms include swelling, pain, stiffness and a decrease in range of motion in joints. Symptoms tend to build over time and vary from mild to severe and may come and go. Arthritis can also cause permanent joint changes. These may be visible, such as knobby finger joints, but often the damage can be seen only on X-rays.

Osteoarthritis (OA) is by far the most common type of arthritis. It can damage almost any joint but mainly occurs in the hands, spine, hips and knees. OA is a disease of the whole joint, not just cartilage. Bones in affected joints become weaker. The connective tissue that holds the joint together deteriorates and inflammation damages the joint lining.

There is no cure for OA, but there are ways to manage OA to minimize pain, continue physical activities, maintain a good quality of life and remain mobile.

For more information see arthritis.org or talk with Karen Morfitt RN, ORLC Parish Nurse
