THIS WEEK

Bible Class: We are studying the book of Daniel. Join us today between services as we see how such an incredible book and events point us to Christ. We are currently discussing chapter 9.

Bundt Cake Orders: If you ordered bundtlets from the youth group, please pick them up today in the fellowship hall!

Youth Catechesis will meet this Wednesday, October 28, at 6PM in the lounge.

MINISTRY INTERESTS SURVEY

A Ministry Interests Survey is being conducted as part of our "pre-Call" process. Please take a moment **by November 1** to rank the ministry areas of Our Redeemer according to how important and interested you are in our involvement in them. Completion should only take a minute or two.

Paper copies of the survey are available in the narthex. Digital surveys are available [HERE](#) or with this QR code.

Adult Information Classes

Pastor Simek will begin classes on **Tuesday, October 27 at 6 pm**. To cover the material thoroughly and in a timely manner, we will aim to meet for two hours each time, roughly every two weeks, for about 8 classes. Exact class duration, dates, and number of sessions will depend on schedules, holidays, and the questions you have as we dive into God's Word together.

Sign up in the narthex if you are interested in adult information classes, **even if you are unable to make it on October 27.**

Philippians Conference

A Philippians Conference will be hosted by Our Redeemer on November 21 from 8:30am-2pm. This one-day conference facilitated by the Rev. Dr. Nathan Meador is for pastors and people to look at the theology and practice of stewardship and to ground congregational stewardship on the solid foundation of Scripture and the Confessions. It will investigate a congregations local stewardship culture and aims to give congregations a fresh perspective on stewardship with action items to put into practice.

While there is no cost to participate, we do ask everyone to sign up so we can make arrangements for accommodations and food for the day at this QR code or on the counter in the narthex.

Thank You!

Thank you so much for your many prayers and concerns during these months of Carole Ann's struggle with cancer. She treasured her church family so much! With your calls and visits, she felt the presence of Christ's love through each and every one of you. Thank you all as well for the support and love you showed me and her family in her funeral worship day. *– Don Lang & Family*

PARISH NURSE

Did you know?

5% of people aged 65-74 have some form of dementia.

Fortunately, new research supports the effectiveness of certain activities, like playing games, reading and writing, to keep your brain's connections working smoothly.

I will be in my office between services on Sunday if anyone would like their blood pressure taken or discuss any issues you might have. I am also in the office on Tuesdays if you would like to schedule an appointment.
